# Josy's Little Library

## NEWSLETTER

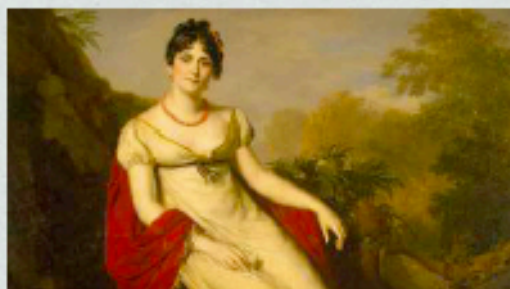

### SNEAK PEEK

Emmy and the Iris: A Fanciful French Twist on the Secret Garden is currently undergoing the final layout and proofing process!

Print and eBooks will be available this summer. In the meantime, as one of our first subscribers, please enjoy your exclusive Sneak Peek attached to this newsletter.

### FUN FRENCH FACT

The "Josy" in "Josy's Little Library" is short for "Josephine", the author's daughter and the inspiration behind Josy's Little Library. In France, the name evokes Joséphine de Beauharnais, empress of France from 1804-1809 and Napoleon I's wife; and Josephine Baker, an American singer who moved to France in 1925. She was the first black woman buried in the Panthéon in Paris.

### THE LOGO

Thanks to Tamtoo, our website now has a logo! This talented, young-at-heart French illustrator produces a variety of fun, colorful works which you can discover on [tamtoo.fr](http://tamtoo.fr), on her Instagram page (@tam\_too) and/or Facebook page (Tam Too). She also makes pretty bookmarks!

### Our Current Read

This story is a comic book about children in a German-occupied village in France during World War II. It's a fun, in-depth way for kids to learn history! Also available in English as *Children of the Resistance*.
